

REMARKS

Reconsideration of this application, as amended, is respectfully requested.

The undersigned gratefully acknowledges the courtesies extended by the Examiner during the telephone interview of May 19, 2009. The undersigned agrees with the Examiner's summary of the interview.

Claims 63-74 were rejected under 35 U.S.C. §103(a) over the combination of Dolan in view of Schaedel, Honda or Covino, further in view of Lowenheim. Applicants respectfully traverse.

Attached is a Rule 132 Declaration of the inventor which clearly set forth the patentability of the presently claimed invention over the cited references. Thus, this rejection should be withdrawn.

The obviousness-type double patenting rejection is not believed to apply to the presently pending claims in view of the amendments to the claims, as it believed that the particular current density, ranges of components in the solution and particular method steps patentably distinguish from the claims of the '334 patent.

In view of the foregoing, allowance is respectfully requested.

Any necessary fees may be charged to deposit account no. 50-0624.

Respectfully submitted
FULBRIGHT & JAWORSKI L.L.P.
